SPECIFICATION FOR ANTIMONY OXIDE FOR PAINT

SIRIM

STANDARDS & INDUSTRIAL RESEARCH INSTITUTE OF MALAYSIA

© Copyright

This Malaysian Standard, which had been approved by the Material and Chemical Industry Standards Committee and endorsed by the Standards Council was published under the authority of the Standards Council in 1971.

This Malaysian Standard does not purport to include all the necessary provisions of a contract.

The Malaysian Standards are subject to periodical review to keep abreast of progress in the industries concerned. Suggestions for improvements will be recorded and in due course brought to the notice of the Committees charged with the revision of the standards to which they refer.
