**NATIONAL FOREWORD**

This Malaysian Standard was prepared by the Technical Committee on safety of Household and similar Electrical Appliances under the authority of the Electrotechnical Industry Standards Committee.

This standard was adopted in total from the standard *IEC 335-2-25 : 1991* with similar title.

Whenever the following words appear, they should be read as follows:

- International Standard read as Malaysia Standard;
- *IEC 335-2-52* as *MS IEC 335-2-25*; and
- the comma which is used as a decimal marker (if any) should be read as a full point on the baseline as the decimal marker.
- the basis *IEC 335-2-25 : 1991* is printed in English and French languages. However only the English version on odd pages are retained for this Malaysian Standard.
