DEPARTMENT OF STANDARDS MALAYSIA

DEVELOPMENT OF MALAYSIAN STANDARDS

The **Department of Standards Malaysia (STANDARDS MALAYSIA)** is the national standards and accreditation body of Malaysia.

The main function of STANDARDS MALAYSIA is to foster and promote standards, standardisation and accreditation as a means of advancing the national economy, promoting industrial efficiency and development, benefiting the health and safety of the public, protecting the consumers, facilitating domestic and international trade and furthering international cooperation in relation to standards and standardisation.

Malaysian Standards (MS) are developed through consensus by committees which comprise balanced representation of producers, users, consumers and others with relevant interests, as may be appropriate to the subject at hand. To the greatest extent possible, Malaysian Standards are aligned to or are adoption of international standards. Approval of a standard as a Malaysian Standard is governed by the Standards of Malaysia Act 1996 [Act 549]. Malaysian Standards are reviewed periodically. The use of Malaysian Standards is voluntary except in so far as they are made mandatory by regulatory authorities by means of regulations, local by-laws or any other similar ways.

STANDARDS MALAYSIA has appointed **SIRIM Berhad** as the agent to develop, distribute and sell the Malaysian Standards.

Committee representation

The Information Technology Industry Standards Committee under whose supervision this Malaysian Standard was developed, comprises representative from the following Government Ministries, trade, commerce and manufacturer associations and scientific and professional bodies.

Dr. Mohamed b. Awang Lah (Chairman) Encik Wan Mohd Salleh b. Wan Abu Bakar	Malaysian Institute of Microelectronics Systems (MIMOS)
Puan Siti Mariam Rahmat	SIRIM Berhad (Standards Development Section)
Encik Anuar Maarof	Malaysian Administrative Modernisation and Management Planning Unit (MAMPU)
Encik Kamarudin Ismail/ Tuan Hj. Houd b. Hj. Sirat	Ministry of International Trade and Commerce Malaysia (MITI)
Encik P. Sritharan	Institute of Engineers Malaysia (IEM)
Encik Yap Kon Lim/Encik Thean Lip Sien	Ministry of Domestic Trade and Consumer Affairs
Encik Sadesh Raghavan	Federation of Malaysia Manufacturers
Encik Tan Seng Kuan	Ministry of Defence
Encik Alan Fong/Encik Wee Kee Heng	Computer Industry Association of Malaysia (PIKOM)
Dr. Rashid Abd. Rahim/ YM Dr. Raja Malik Mohamed	Institut Tadbiran Awam Negara (INTAN)
Ir. Adznir b. Mokhtar/ Puan Mazura Ismail	Malaysian Industry-Government Group for High Technology (MIGHT)
Dr. Nah Soo Hoe/Encik Liew Yet Meng	Malaysian National Computer Confederation (MNCC)
Encik Zuraini Harun	Telekom Malaysia Berhad

NATIONAL FOREWORD

This Malaysian Standard was developed under the authority of the Information Technology Industry Standards Committee.

This Malaysian Standard is identical with ISO/IEC ISP 11185-16 : 1995 'Information Technology – International standardized profiles FVT2nn-Virtual Terminal Basic class – Register of control object type definitions – Part 16 : FVT 2114 – Terminal signal titles control object'.

The text of the International Standard is recommended for publication as a Malaysian Standard without deviation. However, for the purpose of this Malaysian Standard, the text of the ISO Standard given here in should be as follows:-

- a) International Standard read as Malaysian Standard; and
- b) the comma which is used as a decimal sign (if any) read as a full point.

Compliance with a Malaysian Standard does not of itself confer immunity from legal obligation.
